Look and Find—I I

All the things shown on this page can be found somewhere on Ingrow West Station or in the railway yard.

They may be

- on the platform
- on or in the station building
- in the railway yard or sidings
- outside the Museum—or anywhere!

When you have found an object, tick the first column and fill in the blanks in the second column—one dash per letter. Ask if you are not sure.

	This goods van is made of WOODEN PLANKS.	
	This sign shows you where to buy tickets. What kinds of enquiries might you make in the ticket office? (E.G. TRAIN TIMES; ROUTES; TICKET PRICES)	
	This station lamp uses GAS to produce the light, not electricity.	
	What shop is this small planter advertising?	
	These LEVERS are used to change the point at the end of the platform, so that engines and trains can enter the station yard.
